SUMMER YOUTH PROGRAM—HERE'S WHAT YOU NEED TO KNOW...

Our summer youth program has three two-week sessions, running Monday through Friday (excluding holidays):

Session #1: June 23rd-July 3rd

Session #2: July 7th-July 18th

Session #3: July 21st-August 1st

Classes are offered every two hours (8am, 10am, 1pm, & 3pm).

Choose the dates and classes that work best for you!

ENROLLMENT

- **Students Exposure to College:** These icons below represent the Learning Career Pathways at Cerritos College. Your child will see them throughout the summer on campus as a way to immerse themselves in the Cerritos College Experience.

<https://www.cerritos.edu/learningcareerpathways/default.htm>

- On pages 3-4, you will find our **Youth Schedule Planner**; this is our “cheat sheet” to help you easily see the main details about each session (dates, times, class titles).
- Your child is registered in a class upon payment for that class.
- Classes are filled on a first come, first served basis. If a class is full, you can put your child on the waiting list. If a spot opens in that class, you will be contacted to see if you want to register your child at that time.

TEACHERS & STAFF

- Classes are taught by credentialed teachers, those with college-level experience, or holders of a Bachelor’s degree or higher. Enrichment courses are led by subject-experienced instructors.
- Student assistants assist in classes and manage transitions/breaks.
- All teachers, assistants, and staff at Cerritos College are fingerprinted and have clean backgrounds.

ARRIVAL & DEPARTURE

- Please arrive 10-15 minutes before class and drop off your child at the designated area in parking lot 9, where staff and signs will assist you.
- Do not drop off your child prior to 7:45am—there is no supervision before this time. Also please make sure you pick up your child after their class(es) end; there is no supervision 15 minutes after the end of each class.
- A parking pass is required for campus parking. Daily passes are \$3, or you can purchase weekly or monthly passes at paymycite.com.

SUPERVISION, BREAKS & LUNCH

- Students are supervised.
- Student assistants help with drop-off/pick-up and ensure children are safely in and out of your car. Please use the designated drop-off/pick-up area.
- Students 12 and under must be accompanied by a staff member or teacher at all times and may not be unsupervised on campus.
- If your child brings a snack, we ask that they eat it during the transition time between classes and not during class.
- Lunch supervision is provided at no additional cost; however, please register your child to assist with planning.
- Lunch break is from 11:45am-12:45pm; your child must bring a sack lunch, there are no campus lunch options available.

PROGRAM POLICIES

- Only registered students are allowed in classrooms—no parents, adults, or non-registered children.
- Respect for individuals, materials, and equipment is expected. If a student does not adhere to the code of conduct, we will work with them to minimize disruptions.
- Cancellations or transfers require three business days’ notice before the start of class. A \$10 fee will be applied to any cancellations or transfers.

MOMMY (OR DADDY) & ME! (35 MIN. LESSON)

Children between the ages of 6 months to 3 years can participate with a parent or guardian. Students will learn to adjust to the water environment and learn good safety habits.
Note: Children are required to wear swim diapers during each lesson - no regular diapers allowed, as they will break apart in the pool.

LEVELS 1-4 OPEN TO AGES 4-17

(NOTE: ONLY CHILDREN IN GRADES 1-12 CAN PARTICIPATE IN COLLEGE FOR YOUTH). EACH LEVEL IS OFFERED DURING THE TIMES LISTED BELOW

Required Skills Per Level

Beginners who are experiencing the water for the first time or are unable to put their face under the water. Students will learn to become comfortable with basic water skills (floating, gliding, kicking, and basic arm movements) and learn good safety habits.

LEVEL 2 (35 MIN. LESSON)

Students can perform level 1 skills and are able to relax and hold their breath under water. They will improve in their ability to float, glide and flutter kick and do the basic crawl stroke arm movements on the front and back, unassisted. Students will be introduced to rhythmic breathing.

LEVEL 3 (35 MIN. LESSON)

Students can perform level 2 skills, including retrieving objects from shallow water. Students will increase the distance they can swim the front crawl with side breathing and back crawl, learn the elementary backstroke, how to dive into deep water, and how to change directions in the water. They will be introduced to the breaststroke and dolphin kicking.

LEVEL 4 (35 MIN. LESSON)

Students can perform level 3 skills. Further refinement of basic strokes-front crawl, back crawl, and elementary backstroke. Introduction to the breaststroke and the butterfly stroke will begin.

SUMMER LAP SWIM (AGES 14+)

*If your child in part of College for Youth, you must register your child for both swim lessons and FOW.
 *If your child's swim class is between 10:20am-11:35am or 1:15pm - 2:30pm, our College for Youth staff will take them and pick them up from the pool.
